MEMORANDUM

TO: Herb Hyman , Procurement Manager

THRU: Bruce Taylor, Acting Utilities Director *BT*

FROM: Neil Buckeridge, Lead Operator

DATE: April 17, 2006

RE: Extension of All Power Generator Corp.'s Contract

I recommend that we extend All Power Generator Corp.'s contract for one year from March 27, 2006 through March 27, 2007. This is a piggyback of Broward County's generator maintenance and emergency repairs contract.

All Power has been very attentive, flexible and accessible to the Utilities Department, with routine maintenance and emergency situations. They were very instrumental in making sure our generators were in good working order before and after Hurricanes Wilma and Katrina last year.

It would not only be cost effective to extend this contract but essential to the Utilities Department's ability to continue providing necessary services to the Town's customers.
